800 Strike Plant at Camden

CAMDEN, Ark. (AP)—Some 800 employees of the Camden Manufacturing Co. refused to return to work today after Local 502 of the International Association of Machinists and Aerospace Workers went on a "wildcat" strike.

DEMOCRATS from Page One

Crowds of antiwar demonstrators rallied Sunday in downtown Wakefront park areas and marched on one hotel, but there were only a few arrests and no major disturbances.

President Johnson, who declared in March he would not accept his party's nomination for another term, remained at his Texas ranch with no announced plans to attend the convention.

Johnson will be 60 Tuesday, but in contrast to the elaborate birthday party staged by the convention that nominated him four years ago, the Democratic party's program for that day omits any mention of the President.

Johnson's Vietnam policies appear headed for a floor fight Tuesday night despite efforts to reach an off-stage compromise.

Delegates writing the party platform labored until midnight Sunday without reaching the Vietnam question and were scheduled to resume today.

Eisenhower Seems to Be Holding Own

WASHINGTON (AP)—Army doctors reported today that former President Dwight D. Eisenhower has shown "further increase" in heart irritability since Sunday and remains in critical condition.

Doctors of the Walter Reed Army Hospital said that extra heartbeats have been occurring with "increasing frequency" since Sunday.

But they added that there had been no further episodes of "rapid heart action," which constitute the more serious symptom of his condition.

The hospital issued this morning bulletin:

"Gen. Eisenhower has shown further increase in heart irritability since yesterday. Extra beats have been occurring with increasing frequency. However, there have been no further episodes of rapid heart action."

"The general's condition remains critical."

"He enjoyed a light breakfast this morning and continues to rest comfortably."

A medical bulletin Sunday night said Eisenhower's condition remained "essentially unchanged" from the day's earlier reports.

The afternoon bulletin had reported no new instances of the rapid heart action.

The morning bulletin had said the "increased heart irritability—extra beat—which began yesterday, Saturday a.m., has persisted through the day and night and there have been several episodes of rapid heart action requiring further treatments."

The bulletin added that Eisenhower "rested comfortably during the night and is in good spirits this morning. Mrs. Eisenhower continues to visit the general briefly at frequent intervals."

In answer to a newsman's written question as to whether Eisenhower's condition was worse than at any time since the latest actual attack, the doctors said Sunday night he was "holding his own."

In answer to another question, the doctors also indicated for the first time they do not believe medical statistics are against Eisenhower's chances for survival.

They were asked whether a "patient's survival after several closely spaced heart attacks and episodes of ventricular fibrillation is considered rare."

"It is becoming increasingly common with present-day medical facilities," they said.

Ventricular fibrillation is a fluttering of the heart muscle which threatens performance of the heart's basic task of pumping blood to vital organs.

ENEMY DEATH from Page One

men, sent into the area to bolster allied defenses, clashed with enemy units this afternoon and reported killing 15. Three government soldiers were killed.

This raised to 643 the number of enemy troops reported slain in four days of fighting in and around Duc Lap. More than 200 weapons also were reported captured, including more than 50 rocket launchers, mortars and heavy machine guns.

But in the Duc Lap fighting, 61 Montagnard tribesmen fighting as mercenaries for the government were killed and 119 were wounded. Six American advisers were killed and 15 wounded. An F100 Supersabre fighter-bomber and six helicopters were shot down.

American survivors of the siege said the enemy mutilated the body of one American who killed five enemy soldiers in a trench before he himself was slain.

Cold Weather Hits North Arkansas

Cooler, drier air has moved into Arkansas, promising a relief from the hot and humid August weather, at least through Tuesday.

The clear to partly cloudy skies with mild to warm temperatures moved into the state early today with a weak cold front, which extends from northeast Texas to the Carolinas.

selves over trash basket fires, urging everyone to leave.

Most of the overwhelmingly white crowd started to comply, but ran into a half-dozen Negro militants near the park entrance who mounted each others' shoulders to shout, "The park is free! The park is ours!"

Dozens of demonstrators took up the chant, and surged back into the middle of the park's narrow southern end, where marshals shouting louder than the Negroes managed to change the chant to, "The streets are free! The streets are ours!"

"Into the streets," became the rallying cry, and people who minutes before had been talking about wanting to go home and sleep joined the human wave that flowed into the four broad

lanes of Clark Street, promptly stopping all traffic.

"Beautiful. The park is cleared right on schedule," someone said.

From then on, whoever shouted loudest was the leader for the moment. Hundreds of young men and women, some in beards and beards with painted faces, some long-haired and sandaled, and some in the latest turtleneck sweater fashions, followed whoever was ahead of them in a pell-mell run south toward the Loop, 18 blocks away.

Chanting was loud but indiscriminate: "Humphrey go," "Ho, Ho, Ho Chi Minh," "The street is free, the street is ours," and "Free Huey," a reference to California Black Panther Defense Minister Huey P. Newton, now on trial for the murder of an Oakland police man.

With two young men holding North Vietnamese flags in the front ranks, the black-long mass of people raced raggedly down both sides of Clark Street, hopping over hydrants and auto fenders, dodging telephone poles and running into each other.

"Is that a Cuban or North Vietnamese flag?" one of the youths was asked, "I don't know," he answered, "Someone handed it to me and I'm just holding it."

For all of its noise, however, the crowd showed little stomach for any police confrontation,

Sees Freeing Delegates a McCarthy Gain

CHICAGO (AP)—Fayetteville Mayor Don Trumbo predicted Sunday night that freeing the Arkansas delegation from the unit rule would result in a gain for Sen. Eugene J. McCarthy.

Trumbo, a McCarthy backer, said McCarthy would get his vote and that of some other members of the delegation.

"There is some sentiment in Arkansas, and it wants to see itself reflected on the floor, and it's going to be," Trumbo said.

John Warren of Lansing, Mich., who spent more than a month in Arkansas attempting to gain support for McCarthy, said his candidate could get as many as one-third of Arkansas' 33 votes.

Under the unit rule the man receiving a majority vote at a caucus of delegates gets all the votes of the delegation. Vice President Hubert H. Humphrey was expected to get all of the Arkansas votes under the rule, but the Rules Committee of the Democratic National Convention has recommended that the unit rule be abolished.

Several states, including Arkansas, were reportedly going to fight the committee recom-

GI Killed in Colorado Crash

FT. CARSON, Colo. (AP)—Army Spec. 4 Percy Wilson, 21, of Heth, Ark., was killed Friday night when he was crushed between two trucks in the Army motor pool here, a military spokesman said.

The accident occurred as vehicles were being parked for the night and the matter is still under investigation, the spokesman said.

Trumbo said "different thoughts, influences and desires" were represented by the Arkansas delegation and that he didn't believe a majority of the delegation will want to be bound by unit rule.

The Arkansas delegation is scheduled to hold its first caucus today.

speech in which he blasted his Democratic opponent, Rep. Marion H. Crank, whose hometown, Foreman, is located only nine miles north of here.

The governor said his program was on schedule, but repeated his oft heard remark that he needed two more years "to get it entrenched in the sense of having it founded so it can't be destroyed."

"Truth is on our side and the facts are on my side," Rockefeller told the cheering throng.

"I told you two years ago I would erase corruption and scandal in the prison system, and I did," he said, "I told you I would run out of the state the gamblers and racketeers, and I did, I told you I would run out insurance companies which were milking thousands of our citizens out of their savings, and I did."

"If this is what they (Democrats) call no action, then if we had had a lot more of that kind of no action for the preceding 12 years we'd be a lot farther ahead," he said.

He said Crank had issued a "forceful statement" saying he wanted to get Arkansas moving.

"Moving in which direction?" the governor asked. "I've got news for the old gang, Arkansas is moving but in a different direction than they're talking about."

At one point the governor referred to criticism of his jet travels and added, "this is the jet age." Right on target was his jet, swooping down at tree-top level to buzz the school grounds.

Rockefeller later said the timing was slightly off — "I had to ad lib one line."

Along the train route at every station crowds gathered to wave and even in some of the clearings of the wooded areas between towns persons could be seen by the tracks waving Rockefeller banners.

Rockefeller said the train was the longest passenger train in Arkansas in 15 years. He said it was the state's first campaign train since Gov. J. F. Trotter used one in 1934.

"WR" signs were plastered all over the train and on almost all of the food containers as well.

Candidates to Water Festival

ROGERS, Ark. (AP)—Arkansas gubernatorial hopefuls, Republican Gov. Winthrop Rockefeller and Democratic nominee Marion H. Crank, will speak at the three-day Rogers Jaycees Water Festival which opens here Saturday.

Liquorless Sundays End

WASHINGTON (AP)—Washington ended 34 years of liquorless Sundays over the weekend with a rash of New Year's Eve-type celebrations at bars and restaurants.

Many bars gave favors and noisemakers, one sold 5 cent drinks and another staged a symbolic destruction of small cards telling customers that liquor could not be served after midnight Saturday.

A new city ordinance went into effect Sunday permitting the sale of liquor by the drink until 2:00 a.m. Sunday and from noon Sunday to 2:00 a.m. Monday.

Television and Radio

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP) — "Tumult within and threats of violence without" was Walter Cronkite's summary of conditions in Chicago on the eve of the opening of the Democratic National Convention.

Each of the three networks had a special program Sunday briefing viewers on the political climate and public temper. And, amid talk of floor fights, sharp disagreement on platform planks, film showing troops arriving to control any demonstrations outside the convention hall, the previews indicated that in terms of TV action, the Democrats probably will produce more excitement and be more interesting to watch than the Republicans in convention a few weeks back.

The network newscasters, with facility born of much recent practice, smoothly laid down the foundations for their coverage that begins tonight.
The reporting teams talk about political maneuvers with the familiarity of ward bosses. They all seem to have more freedom to analyze, project, even editorialize, than in other convention years.

David Brinkley, for instance, has a tart and chilly tongue when angered, and he flared up when informed of the convention's decision to reduce the number of TV floor reporters. It must be said that the industrious interviewing and story-hunting of the networks' teams of four convention floor reporters took some of the curse off the meandering speechmaking that droned on in Miami Beach when even the delegates were ignoring them.

If only a fraction of the possible conflicts, inside and out of the hall occur, the convention may be stimulating if dismaying viewing.

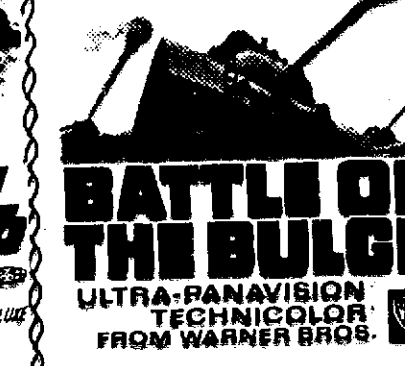

CBS and NBC will continue their gavel-to-gavel coverage starting at 7:30 EDT tonight, and ABC will pick up at 9:30 with a 90-minute wrap-up of highlights and analyses.

Pat Paulsen, the comedian of CBS's "Summer Brothers Smothers Show," made his final appearance in the pre-convention period spoofing the business of political campaigning. He presented his solution to gun control. Some of the thoughts were more macabre than funny, but his solution was ingenious: "Plenty of guns for everybody, but lock up all the bullets."

The program, with the attractive young country singer Glen Campbell, must be counted as the most successful for television's summer soldiers. Even if the show does not gain a winter time slot, Campbell has made good. He spins off the series into a fancy motion picture contract.

NAME CALLING IS GOOD BUSINESS
Dear Helen: Why are so many people reluctant to use our names in greeting us. For example, I say "Hello, John" and John replies "Hello," or maybe just a nod or a grunt. John knows my name. Why can't he say it? Some people I've known 20 years, and if they ever greet me by name, it will be the first time!

Another question: A young friend of mine argues it is dishonest to begin a letter with "Dear" so-and-so, unless he or she is really "dear" to you. So his salutation is simply, "Arthur," or "Hi!" I was taught that "Dear Arthur" is just plain courtesy and does not necessarily mean affection. Who's right?

— ARTHUR
Dear Arthur: I'm the reactionary type who likes "Dear Arthur" and if I want to show affection, I say "Arthur, dear."

However, many young people these days are getting away from the "dear," even if they sign their letters, "Love Always."

Name calling? Those who don't greet a friend by name, and repeat it casually in conversation, should practice up. Nothing is sweeter to one than the sound of his own name, for it makes him feel "singled out" and special. Salesmen know this. So do expert letterwriters. But often friends forget.

Thanks for the reminder, Arthur! — H

Dear Helen: Shouldn't a 17-year-old girl eat dinner with her family? Our daughter fills her plate, then goes to her room to eat and read. Transplant Patient Dies at Houston

HOUSTON, Tex. (AP) — Five-year-old Maria Glannaris of Hagerstown, Md., died Sunday a week after receiving a heart transplant in the Texas Heart Institute at Texas Children's Hospital.

Maria suffered a cardiac arrest and all attempts at resuscitation were unsuccessful, a hospital spokesman said.

The girl was the world's 31st heart recipient and the second child recipient.

She had been reported in satisfactory condition until late Sunday.

Dr. James K. Nora, pediatric-cardiologist, said the cause of death will not be known until an autopsy is performed.

The parents, Mr. and Mrs. Nick A. Glannaris, were at the hospital when the child died.

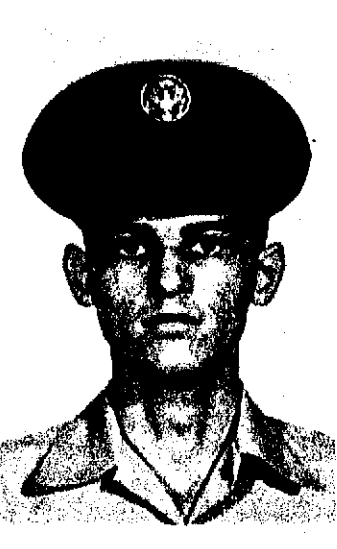

Maria was the recipient of the heart of 11-year-old James Dudley Herron II, who had suffered brain hemorrhage. He was the son of James Dudley Herron, a chemistry professor at Purdue University, Lafayette, Ind.

The first child to receive a heart transplant died 6 1/2 hours after the operation last December in Brooklyn, N.Y. The recipient was a 2 1/2-week-old boy who received the heart of a 27-day-old infant.

Friends Ride in LBJ's Speedboat

LAKE LYNDON B. JOHNSON, Tex. (AP) — President Johnson took unidentified friends for a ride in his speedboat on this central Texas lake Sunday afternoon and entertained in the evening at his lake house.

Following the presidential speed boat was his cabin cruiser with Mrs. Johnson, their daughter Luci Nugent and more friends.

Wearing a black beret, the President also took his grandson Lyn for a speedboat ride, at speeds up to 50 miles per hour.

While the President and Mrs. Johnson dined with friends late Sunday night, the speedboat and cruiser were docked at his Haywood Ranch on the Llano River branch of the lake.

Lightning Hits Daughter of Va. Governor

VIRGINIA BEACH, Va. (AP) — Becky Godwin, 13-year-old daughter of Virginia's governor, remained unconscious today as doctors assessed the full extent of injuries caused when she was struck by lightning on the beach Sunday afternoon.

The slight, brown-haired girl was in "poor" condition at Virginia Beach General Hospital, though doctors early today reported "some encouraging responses to intensive treatment in the last few hours."

Her father, Gov. Mills E. Godwin Jr., arrived at the hospital Sunday night from Chicago, where Virginia's Democratic National Convention delegation had planned to nominate him as a favorite-son candidate for president.

He was visibly shaken. The governor had been in Chicago only six hours when the accident occurred about 3:30 p.m. First reports informed him his daughter was dead. Then the report was "extremely critical." He left Chicago immediately.

Becky, the Godwins' adopted only child, had been vacationing with her mother at the governor's seaside cottage on the state military reservation here. Her mother, Katherine, was recuperating from a serious abdominal operation she underwent last week.

An aide at the governor's office in Richmond said Becky had been playing in the surf under the watchful eye of Grady Norfleet, a friend of the Godwins, when storm clouds began to pile up offshore.

The aide said Norfleet and the girl left the water and were standing in sunshine on the beach when a lightning bolt struck, either hitting Becky directly or striking the beach nearby.

Both she and Norfleet were knocked unconscious. Two National Guardsmen nearby saw the bolt strike and ran to their aid. They kept her breathing with artificial respiration until an ambulance arrived.

Norfleet regained consciousness shortly afterward, but was admitted to the hospital for observation. He was not believed seriously injured.

The correct way to wear a corsage is the way flowers grow—petals up. You can pin your corsage to either shoulder, but it will keep fresh longer on your right shoulder if you're going dancing. As a new variation, you can also wear the flowers at your waist or purse if your dress is strapless.

BEVERLY HILLS, Calif. (AP) — Jane Russell and actor Roger Barrett, who met while starring in a play together last June in Niles, Mich., were married Sunday. The dark-haired, buxom actress wore a bright red print jacket-dress and Barrett was dressed in white.

They left for a honeymoon at an undisclosed location.

Miss Russell ended her 25-year marriage to former football star Bob Waterfield on July 30. Barrett and Miss Russell are both 47.

\$659,048 for Job Training in Arkansas

LITTLE ROCK (AP) — Two state agencies announced Saturday the allocation by the U.S. Labor Department of \$659,048 to provide job training for 206 Arkansians under the Manpower Development and Training Act.

The announcement was made by the state Employment Security Division and the board for Vocational Education.

The training will be given in vocational and private schools throughout the state.

Training will come in the fields of refrigerator mechanics, alteration tailor, auto body repair, auto mechanics, barbers, bookkeepers, clerks, cooks, cosmetologists, diesel mechanics, draftsmen, electrical appliance repairs, electronic technicians, forestry, heavy equipment operators, horticulturists, accounting, practical nursing, programming, secretaries, stenography and welding.

NLR Negro Likes to Be Policeman

NORTH LITTLE ROCK (AP) — The first Negro hired by the North Little Rock Police Department has completed several weeks of orientation on the force and says he believes "this will be my life's work."

Jess Dean Lairy, 24, joined the department's 3 to 11 p.m. shift after attending the Arkansas Law Enforcement Academy for three weeks in July.

The former artillery gunner who rose to the rank of sergeant has patrolled both racially mixed and all-white sections of the city with a veteran policeman.

Lairy says he's arrested both Negroes and whites and says the job is one of the hardest, "everything I thought it would be."

Lairy says other officers on the force have been friendly.

Murphy Wins \$100,000 Golf Classic

By RALPH BERNSTEIN
Associated Press Sports Writer
PHILADELPHIA (AP) — It's hard to believe that eight years ago Bob Murphy didn't even want to play.

Murphy was a pitcher and he had major league baseball aspirations. Shortly before he enrolled at the University of Florida, however, he suffered a shoulder separation. His baseball career was dead.

So, Florida U. golf coach Conrad Rehling urged Murphy to take up golf. Murphy went on to become NCAA and U.S. Amateur champion. Last January he started on the pro tour.

Murphy reached some sort of personal pinnacle Sunday when he won his first pro tournament, the \$100,000 Philadelphia Golf Classic. He did it the hard way, too, in a sudden-death playoff with Labron Harris, another former National Amateur champion.

Harris was seeking his first win after four years as a regular on the tour.

"It's just fantastic," said the 210-pound Murphy after he dropped in a 15-foot putt on the third extra hole to earn the \$20,000 first prize and boost his first-year earnings to \$64,245.

The 25-year-old Murphy posted rounds of 69, 71, 66, 70 for a 72-hole total of 276 to finish in a 12-under-par tie with Harris in the four-day competition on the par 36-36-72 Whitmarsh Valley Country Club course.

Harris had 71, 67, 70, 68 and watched as Murphy missed winning in regulation when a 12-foot birdie putt on the 18th green missed by about 10 inches.

Third place went to Dudley Wysong, who scored a finishing 50-under-par 70, including a 50-yard approach shot which went into the cup of the sixth hole on the fly for an eagle. Wysong wound up one stroke off the pace at 277.

Jack Nicklaus shot a 70 Sunday for a 72-hole total of 278, tying with Charles Coody and Frank Beard, who shot the best final round of seven-under-par 15.

Boston Has Made Some Changes

By MURRAY CHASS
Associated Press Sports Writer
ANDOVER, Mass. (AP) — Although the Boston Patriots have been saying for two years they need a running back to take some pressure off Jim Nance, coach Mike Holovak is not operating under any illusions.

"Nance has to have the ball," Holovak said. "What the heck, he's kidding who? You have a good ballplayer, use him. Why have him?"

Save him the Patriots haven't. Since the ball an American football League record 299 times in 1966 and 269 times last year. And in those seasons he became the first player to lead the league in rushing in consecutive years.

But the Patriots can't depend solely on Nance. For running, yes. But for their whole offense, no.

They learned that last year when they finished last in the Eastern Division with a 3-10-1 record, worst in their history. Of course, the defense had a lot to do with Boston's demise, too.

"It was just a year that everything went topsy turvy," Holovak explained. "Early in the year we were a good club, but we lost some toughies and then we went downhill."

It promises to be a long struggle back.

To start the climb, Holovak has made two moves—he traded quarterbacks and he has inserted some more rookies into the line-up.

The trade sent 38-year-old Babe Parilli, a player of whom Holovak is very fond, to the New York Jets for 27-year-old Mike Taliaferro, a player who was not very fond of the Jets.

Taliaferro, pronounced Tolly-er, is in his fifth year in the AFL, but for the past three he has been on the bench and watched Joe Namath play. Now it's his turn to play while another quarterback, in this case, Don Trull, sits and watches.

Although Taliaferro is no baby, he fits in with Holovak's youth movement. Also in the

Errors Are Costly to Pirates

By ED SCHUYLER Jr.
Associated Press Sports Writer
It might be human to err, but it doesn't pay to overdo it when you're playing the St. Louis Cardinals.

Pittsburgh pitching limited National League-leading St. Louis to just four hits Sunday, but the Pirates committed four errors and the Cardinals used them for a 4-2 victory.

The Pirates pounded out eight hits, but the St. Louis defense was flawless in support of Nelson Briles, 17-8, and Joe Hoerner, who relieved and put down a Pittsburgh threat in the eighth inning.

In other National League games, the Chicago Cubs blanked Houston 2-0, Los Angeles edged San Francisco 5-4, Philadelphia topped Atlanta 4-1 and the New York Mets pounded Cincinnati 7-1.

The New York Yankees swept Detroit 6-5 and 5-4, Washington outlasted Cleveland 10-9, the Chicago White Sox trounced Minnesota 10-2, California downed Oakland 5-1 and Baltimore nipped Boston 3-2 in 18 innings in the American League.

The Cardinals scored in the second inning. Orlando Cepeda walked, stole second, moved to third on a groundout and scored when shortstop Fred Patek fielded Mike Shannon's groundout and made a poor throw to first.

St. Louis added a run in the fourth when Shannon reached on third baseman Maury Wills' throwing error and scored when Julian Javier's single got past right fielder Gary Kolb for an error.

The clinching run came in the fifth when Lou Brock scored from second as first baseman Donn Clendenon missed a throw from pitcher Dock Ellis, who had fielded Bob Tolan's groundout.

Shannon's single and Javier's double produced the final St. Louis run in the sixth.

Matty Alou singled in a run after Hoerner replaced Briles with the bases loaded and one out in the eighth. Hoerner then struck out the next two men to end the threat. Manny Mota hit a pinch homer for the Pirates in the ninth.

Ferguson Jenkins pitched a four-hitter and drove in a run with a groundout as Chicago snapped Houston's six-game winning streak and handed Larry Dierker his first loss since June 20. Dierker, who had won six in a row, now is 12-11.

Jenkins, 15-12 drove in the Cubs' first run in the second inning. Glenn Beckert's single, Billy Williams' double and Willie Smith's sacrifice fly produced the other run.

Los Angeles beat San Francisco's Juan Marichal, 23-6, on Paul Popovich's sacrifice fly in the ninth inning.

The winning rally, which snapped the Dodgers' losing streak at eight games, started when Tom Haller singled and went to third as Marichal threw low to second on Ron Fairly's bunt. After an intentional walk and a force play at the plate, Popovich delivered his sacrifice fly.

San Francisco had tied it with two runs in the seventh, Ron Hunt singled home off first one and Willie Mays' infield out brought in the other.

Larry Jackson, 12-15, scattered five hits and Johnny Callison, back in the line-up after an eight-day absence because of a pulled hamstring, homered and singled in a run in Philadelphia's triumph. Hank Aaron hit his 24th homer for Atlanta.

Tom Seaver threw a five-hitter and smacked a two-run double in leading the Mets over Cincinnati, Ed Kranepool and Art Shamsky backed Seaver, 12-9, with solo homers.

John Bench scored Cincinnati's only run when he led off the eighth with a double, moved to third on a groundout and came home on Seaver's wild pitch.

were involved in a fracas on the mound.

The Memphis Blues extended their victory streak to seven, as they defeated Dallas-Fort Worth 4-0 behind the two-hit pitching of Richard Folkers.

El Paso edged San Antonio 3-2 and Albuquerque beat Amarillo 8-3 in other Texas League action.

Chargers Embarrass L.A. Rams

By MIKE RECHT
Associated Press Sports Writer

The Pittsburgh Steelers are not expected to win the National Football League title this season, but they do lead the league in embarrassment.

On the other hand, the Cincinnati Bengals, a last place choice as the American League's newest team, top their league in surprises.

Both teams climbed to the front Sunday when the Bengals shocked the Steelers 19-3 in an exhibition game at Morgantown, W. Va., for their first victory after three losses.

Cincinnati's triumph gave the AFL a stunning 10-5 bulge over the chagrined NFL in inter-league exhibitions, and with only eight such contests remaining, the NFL would have to win seven to come out on top.

The only other contest Sunday matched two NFL clubs and St. Louis scored a safety and a touchdown in the final quarter to beat the New York Giants 18-10 at New Haven, Conn.

Cincinnati gave the AFL a sweep of its two weekend inter-league games as San Diego embarrassed the Los Angeles Rams 35-13 Saturday night.

In other games Saturday, Green Bay held off Dallas 31-27, Minnesota bombed Philadelphia 52-10, Chicago clobbered Washington 45-13 and New Orleans outscored Cleveland 40-27 in the NFL, and Kansas City downed Oakland 31-21 in the AFL.

Pittsburgh is supposed to lose some games, but Cincinnati is not expected to win very many. Adding insult to injury, the Bengals allowed the Steelers past midfield only once on their own power, and rookie quarterback Dewey Warren set up three touchdowns with his passing.

The combination gave Paul Brown his first victory since returning to coaching after an illustrious career leading Cleveland.

Warren completed 12 of 21 passes for 268 yards in outpassing.

Events to be settled today in the bids for berths on the Olympic team bound for Mexico were the 100-meter backstroke, 200-meter breaststroke and 200-meter butterfly.

Successful world record performances came Saturday and Sunday from Debbie Meyer of Sacramento, Calif., in the 200- and 400-meter freestyle, and Claudia Kolb of the Santa Clara, Calif., Swim Club in the 400- and 200-meter individual medley.

Joining the elite pair was another 16-year-old, Katie Ball from Jacksonville, Fla., in the 100-meter breaststroke Sunday.

Miss Meyer, 16, who confesses she is a peanut butter and jelly sandwich addict, began the record smashing with 2:06.7 in the

Rocky Hurls Yankees to Victory

By HAL BOCK
Associated Press Sports Writer

Rocky Colavito's long-term shutout is still intact but the Detroit Tigers' first place momentum isn't quite the same.

Colavito made his first pitching appearance in 10 years Sunday and earned the victory with 2 2-3 innings of shutout relief as New York clipped Detroit 6-5 in the first game of a doubleheader.

Then the Rock returned to the outfield for the second game and cracked his 372nd career homer, helping the Yankees to a 5-4 victory and a sweep of the four-game series against the American League leading Tigers.

The four losses shaved Detroit's lead to five games over Baltimore. The Orioles nipped Boston 3-2 in 18 innings Sunday.

In other American League games, Minnesota walloped Chicago 10-2, California dropped Oakland 5-1 and Washington outlasted Cleveland 10-9.

In the National League, New York trimmed Cincinnati 7-1, Philadelphia flipped Atlanta 4-1, Chicago shut out Houston 2-0, Los Angeles edged San Francisco 5-4 and St. Louis dropped Pittsburgh 4-2.

Colavito pitched three scoreless innings against Detroit a decade ago when he was with Cleveland and Sunday's performance extended the blank string to 5-2-3 innings.

The strong-armed outfielder had volunteered to pitch when the Yankees signed him as a free agent last month and when the Tigers jumped into a 5-0 lead against Steve Barber Sunday, Manager Ralph Houk, thinking about three doubleheaders in three days, accepted the offer.

Colavito retired Al Kaline and

Debbie's 4:24.5 broke her own pending 4:26.7 set Aug. 1. Miss Kolb's 5:04.7 in the 400 medley erased her own pending 5:05.4.

Miss Ball's 1:14.2 Sunday broke the 1:14.6 she set at Philadelphia Aug. 19, 1967.

Joining Outis in the two places open in the breast was Sharon Wichman, Ft. Wayne, Ind., who swam 1:15.5.

Susan Pedersen, Arden Hills, Calif., SC, 2:25.4, and Jan Heane, Santa Clara SC, also 2:25.5, join Miss Kolb as medley swimmers.

Linda Gustavson, Santa Clara, 4:28.2, and Pam Kruse, Ft. Lauderdale, Fla. SC, 4:28.7, team with Debbie Meyer in the free style.

Willie Horton, stranding two runners in the fourth inning and then shut out the Tigers in the fifth and sixth. With two out in the bottom of the sixth, the Yanks rallied.

Horton lost Andy Kosco's fly ball in the sun and it fell for a double. Tom Tresh walked and Bill Robinson, who had four hits in the doubleheader, smashed a three-run homer. Bobby Cox followed with a solo shot, tying the score.

A walk to Colavito and singles by Horace Clarke and Jake Gibbs gave New York the lead and Houk used regular pitchers Dooley Womack and Lindy McDaniel to preserve Colavito's victory.

In the nightcap, Colavito's third inning homer tied the score and Charlie Smith's two-run single in the fourth put New York in front. Steve Hamilton earned the victory with five innings of two-hit relief in which he struck out seven.

The sweep gave the rampaging Yankees 12 victories in the last 15 games and placed them at .500 for the first time since April 30.

Using the scoreboard and Detroit's double loss for inspiration, the Orioles wiped out an early 2-0 Boston lead with single runs in the seventh and eighth to force the game into extra innings.

Then, in the 18th, Boog Powell doubled with two out, moved to third on a wild pitch and scored the winning run on Brooks Robinson's single. Rookie Roger Nelson pitched seven scoreless innings of relief for the victory.

George Brunet pitched a six-hitter and Bobby Knoop drove in three runs, leading California past Oakland.

Knoop singled two runs home in the sixth and tripled another across in the eighth and Brunet, 13-12, halted a four-game California losing streak and a four-game winning streak for the Athletics.

Four Chicago errors helped Minnesota to three unearned runs and the Twins pounded the White Sox. Rod Carew doubled, setting up a run in the second and drove in another with a single in the eighth.

Jim Kaat went all the way for his 10th victory and drove in a run in Minnesota's five-run wrapup rally in the ninth.

Ken McMullen smacked two home runs, driving in four runs but it was Tim Lincecum's bases-loaded pinch triple in the seventh inning that broke a tie and carried Washington past Cleveland.

Jose Cardenal had two homers and Tony Horton one for the Indians.

Strong U.S. Diving Team for Olympics

LONG BEACH, Calif. (AP)—It'll be a strong U.S. diving team that competes in this year's Olympic Games in Mexico City, Strong in more than just ability.

Winners of the four events this past weekend showed great muscle control and grace in capturing berths on the U.S. team. And Jim Henry, winner of the 3-meter springboard event, might have spoken for the rest.

"I like to use my strength and stay away from the board," he said after easily defeating Keith Russell and Bernie Wrightson for top honors. All three will go to the Games, however.

Keala O'Sullivan, a slight 17-year-old from Honolulu, won the women's 3-meter springboard competition without using too much "muscle" but pretty Ann Peterson said she used her strength in winning the women's 10-meter platform event.

Her running forward 2 1/2-somersault in pike position scored 50.82 points and her back 1 1/2-somersault in layout position earned 51.75.

The 21-year-old Arizona State University coed stayed away from the difficult dives but performed all the easy ones to near perfection.

Russell, of Mesa, Ariz., captured the men's 10-meter platform event and did it on his last dive.

Johnson Still Sitting Out Convention

By FRANK CORMIER
Associated Press Writer
AUSTIN, Tex. (AP) — President Johnson, hero of the 1964 Democratic National Convention, sat out the opening hours of the 1968 version at his Texas ranch today—giving no hint whether he'd show up in Chicago.

There were no announced-in-advance visitors to the LBJ Ranch at the start of the new work week and no indication Johnson would be competing for headlines with his party's nominating convention.

Because Johnson will be 60 on Tuesday, there has been considerable speculation he might fly to Chicago for the occasion. "It is also known, however," that the chief executive is acutely conscious of the fact that few incumbent presidents ever show up at a national convention before the big nominating vote—and the one who did so most recently, Harry S. Truman, got little more than criticism for his effort.

Only one bit of prospective official business for convention week has been announced: In a summer commencement address Saturday at his own school, Southwest Texas State College in nearby San Marcos, Johnson said that Wilbur Cohen, secretary of health, education and welfare, would be visiting the ranch later and bringing him a series of reports.

Aides said Cohen's visit was not imminent. The Cabinet member apparently planned to be in Chicago for the first days of the convention.

Chancellor Kurt Georg Kiesinger of West Germany said Sunday in a radio interview that he felt it was time for a summit meeting of leaders of the 14 nations allied in the North Atlantic Treaty Organization, which he termed "tired and languid."

Kiesinger said the invasion of Czechoslovakia by the Soviet Union and four of its Warsaw Pact allies showed the need for such a session.

A NATO summit could hardly take place without Johnson's approval and the Texas White House, asked for comment on Kiesinger's proposal, had none. It referred all inquiries to the State Department which said in Washington:

"We have only seen press reports and don't have the full text of the chancellor's remarks. We assume the German government will be discussing with its allies the various points mentioned in the chancellor's interview. We agree that the strength and unity of NATO are essential to our common security."

Some observers wondered whether Johnson would be eager for a NATO summit at this time, lest it clash with his cherished wish for an autumn meeting with the leaders of the Soviet Union.

Johnson went to Roman Catholic and Lutheran services Sunday for the second week in a row, and was a bit late for both. First, accompanied by Catholic convert daughter Luci Nugent, he went to St. Francis Xavier Catholic Church about two miles from the ranch. Then, after returning home to pick up his wife Lady Bird and grandson Patrick Lyndon Nugent, he went

Liquor Laws Hypocritical, Senator Says

LITTLE ROCK (AP) — State Sen. Richard Earl Griffin of Crossett, calling the current state liquor laws hypocritical, said Sunday he felt a bill should be adopted giving all counties three options on liquor laws.

He said at a news conference that residents of each county should be allowed to decide whether the county is wet or dry, and whether or not mixed drinks should be legalized.

"I realize this may be political suicide, but I feel very strongly about this," he said. "I feel that the world would be a better place in which to live if there were nonalcoholic beverages but we've got them and we might as well face up to it."

Griffin also accused the Alcoholic Beverage Control Board using "selective law enforcement for political purposes."

Griffin made the statement in reference to a raid Saturday at the Horseshoe Club at Crossett. ABC agents confiscated 27 cases of beer and 24 bottles of liquor in the raid and arrested Frank Simpson, identified as the operator of the club.

Simpson, who was charged on six counts of liquor law violations, was released on \$1,200 bond.

Griffin said he had "pleaded" with ABC agents to raid the Prairie Country Club, which is located between Crossett and Hamburg, and a Negro club. He said the club which was raided was a "poor man's club."

Griffin is a member of the ABC agents to raid all clubs in Ashley County, which is dry, but was told someone would have to sign an affidavit stating that a violation had occurred. He said he offered to sign the documents, but that the agents backed out.

Gov. Winthrop Rockefeller said such matters were the responsibility of Joe Gaspard, director of the ABC.

Man Shoots Two, Then Kills Himself

HARRISBURG, Ark. (AP)—A Harrisburg man shot and killed his wife and another man and then fired three shots into his own body Sunday outside a house less than one mile north-east of Harrisburg.

Sheriff Ray Holmes of Polk County said Roy L. Roberts, 42, apparently ambushed his wife, Mrs. Wanda Roberts, 38, and Calvin Taylor, 43, both of Harrisburg, and then killed himself.

Holmes said the shootings occurred outside the home of Mrs. Joyce Owens, Mrs. Roberts' sister. He said Mrs. Roberts was shot once in the chest with a .30-06 rifle and Taylor was shot once in the left side with the same kind of weapon.

Authorities said Roberts shot himself in the stomach and in the forehead before firing a bullet into his brain. Officers said the second bullet was apparently faulty, because it did not pierce the skull.

Mrs. Roberts died shortly after being taken to a clinic at Harrisburg. Both men were pronounced dead at the scene.

A coroner's inquest was set for today to officially rule on what happened.

Officials said Mrs. Roberts had a divorce suit in the courts. Authorities said Roberts shot his wife in the stomach last Oct. 23 with a 16 gauge shotgun. They said Mrs. Roberts told them the next day that the shooting was accidental but 30 hours later she said it was intentional.

A charge of assault with intent to kill against Roberts was dropped when his wife changed her story again and said the shooting was accidental.

Police said they believed the shooting Sunday happened this way:

Taylor and Mrs. Roberts, carrying a bundle of clothes, walked out of the house. Roberts was outside, hidden in some shrubs, Taylor was struck by two shots when he left the house and Mrs. Roberts was hit by a third shot. Roberts then shot himself and either crawled or stumbled to his wife's side. At this point, Mrs. Owens, who had been preparing breakfast, went outside, saw what happened, and went for help. Roberts apparently shot himself twice more after Mrs. Owens left.

Local Option Petitions in 2 Counties

Two groups have filed petitions in Cleveland and Baxter counties calling for local option elections on liquor sales in the Nov. 5 general election.

Petitions containing 100 names of voters were filed at Kingsland in Cleveland County by the Kingsland Christian Civic Foundation. The sale of liquor is permitted in Cleveland County.

The North Arkansas League for Progress is making its second attempt to legalize liquor sales in Baxter County. The league was successful in placing the issue on the ballot two years ago but the drys won 3,538 to 2,313.

Democrats Set to Open Convention

By JACK BELL
AP Political Writer
CHICAGO (AP) — Vice President Hubert H. Humphrey fought off raids on his fortified position as frontrunner while warring Democrats prepared to open their 1968 convention tonight to choose a presidential nominee behind barbed wire and walls of police.

Floor battles loomed on three fronts, including the crucial question of peace in Vietnam, before the 2,622 delegates make their White House choice Wednesday night.

Convention eve produced only minor fluctuations in the delegate strength of Humphrey and his main rivals, Sens. Eugene J. McCarthy of Minnesota and George S. McGovern of South Dakota, despite a day of maneuvering among the major states.

Mayor Richard J. Daley of Chicago delayed until Wednesday any final decision on where he will lead the 118-vote Illinois delegation. Illinois Atty. Gen. William G. Clark endorsed McGovern, but said he spoke only for himself.

California Assembly Speaker Jesse M. Unruh, heading the 174-vote delegation won by the late Robert F. Kennedy, said it would be difficult for him to support Humphrey, but added it would be impossible for the group to band unanimously behind any one candidate.

The convention began clearing away the preliminaries tonight in an atmosphere of a maximum security stockade at the Stockyards International Amphitheatre.

Delegates and alternates were outnumbered by troops 4-to-1. Six thousand federal troops have been airlifted into Chicago to back up 18,000 Illinois National Guardsmen ready to combat any racial flareup or antiwar violence.

Police cordons have sealed off the convention area. Small

By THE ASSOCIATED PRESS
An Associated Press count shows only one person died on the Arkansas highways during the weekend period which ended at midnight Sunday.

The count began at 6 p.m. Friday.

State Police said Sylvania Flowers, 56, of Texarkana was killed Sunday morning in a two-car crash on U.S. 67 about one mile north of Texarkana.

Officers said the victim was a passenger in a car driven by William Taylor of Texarkana. Authorities said the Taylor vehicle pulled in front of another vehicle while entering the highway from Arkansas 296. Officers identified the driver of the second vehicle as Clamis R. Mitchell, 23, also of Texarkana.

Horseback rides are handy, a golf course is at nearby Forsyth and the prices for food are modest by resort standards.

Multiple attractions serve the area well. A family can stay a week and never absorb all of the sights in the area. For example, Silver Dollar City just west of nearby Branson is in the same league with Six Flags down at Dallas. It has a cave 22 stories deep complete with waterfalls and an elevated train ride out of the depths.

Marvel Cave is, according to the colorful brochure, the third largest in all America with 32 miles of passageways mapped. Stagecoach and horseback rides, the Frisco-Silver Dollar line circles the steep hills, and industry is a show too, with glass blowing, woodcarving, wool spinning, root digging and pottery making as educational phases of the life that once was in the Ozarks.

Unhappily, the fishing is quite domesticated, for the trout are in the only waters on a "put and take" basis from a hatchery. Non-resident fishermen pay a \$4.00 license fee plus a 30¢ handling charge (which we assume went to the seller) plus a \$2.50 fee for fishing for trout.

Wood Products Firm Sold
HARRISON, Ark. (AP)—Arnold M. Adams, a referee in bankruptcy, has approved a Missouri firm's purchase of the Turkey Wood Products, Inc.

L. E. Durand, who was named receiver of the Harrison firm in March after it filed for bankruptcy, made the petition for sale.

Some safety experts believe police should try to halt fleeing criminal suspects with roadblocks instead of by hot pursuit in patrol cars. They say that 500 lives, including many innocent victims, are lost annually as a result of police car chases, three out of four of which involve culprits guilty of only minor offenses.

1000 Assorted Protest Purveyors Gather in Chicago for Rioting

By AUSTIN SCOTT
Associated Press Writer
CHICAGO (AP) — Nearly 1,000 Yippies, hippies and assorted purveyors of protest played traffic-sharpening street tag with police over a four-mile section of Chicago's most famous streets Sunday night, climaxing a day of varied protest demonstrations.

Despite a short barrage of rocks aimed at police in Lincoln Park after midnight, there were very few arrests—at least eight—for the number of people involved—at one point about 2,000. Activity began on a serious

note in the early afternoon when several youth and antiwar groups peacefully picketed the major hotels of Democratic National Convention delegates. They were protesting U.S. fighting in Vietnam, Soviet troops in Czechoslovakia, federal troops on the alert in Chicago, and Vice President Hubert H. Humphrey in the lead for the Democratic presidential nomination.

But toward midnight a sudden, unplanned romp developed that daily zig-zagged through several sections of Near-North Chicago.

Problems first began when the more than 1,000 demonstrators set up picket lines at the Conrad Hilton and the Palmer House—they were visited by the three major presidential contenders during the day—and returned to Lincoln Park, a sort of informal gathering place about three miles north of the Loop, Chicago's downtown heart.

There were a couple of minor clashes with police as several persons were arrested for interfering with police, and as dark fell the question on nearly everybody's mind was whether to obey the park's posted 11 p.m. closing time.

Many of the demonstration marshals who kept picket lines under tight and orderly control earlier in the day decided there was no point in confronting the police Sunday night, and started walking among the couples and groups huddled in blankets on the grass or warming them-

Unwanted in Wartime, Hawaiian Senator to Kenote Convention

CHICAGO (AP) — Daniel K. Inouye gave his right arm to the nation which at first did not want him in wartime because of his race.

Tonight the Hawaii senator, barred from the military in the first months after Pearl Harbor because of his Japanese ancestry, becomes the first member of his race to deliver the keynote address at a major national political convention.

Inouye, who grew up in a Japanese slum in Honolulu, was at Pearl Harbor as a medical volunteer in the blood-filled first hours of the attack which brought the United States into World War II.

Not until six months later did the nation drop its ban on Japanese-Americans serving in the Army. Inouye, who had hoped to become a doctor someday, left his premedical studies behind and enlisted at 18.

He came back from the war with the Distinguished Service Cross, Bronze Star, Purple Heart, 12 other medals—and one arm.

Inouye, promoted to lieutenant on the battlefield, was leading a hilltop assault in Italy while serving with the 442nd Central Postal Directory, a unit of Japanese-Americans sent to fight in Europe.

The youth, wounded by a bullet in his abdomen, led a charge on a German machine gun nest plugging down his men. He hurled two grenades before his right arm was shattered by his last grenade with his left hand and charged alone with a sub-machine gun before being wounded again.

He spent nearly two years in military hospitals before returning to the University of Hawaii, this time as a law student under the GI Bill.

At 30 he became the majority leader of Hawaii's territorial legislature.

4,000 Veterans in Training
LITTLE ROCK (AP)—About 4,000 post-Korean War veterans in Arkansas will enroll this fall for education and training under the GI bill, the regional office manager of the Veterans Administration said Saturday.

Henry E. Hudson of Little Rock said the enrollment will be the highest since the bill went into effect June 1, 1966. The bill grants assistance of up to 36 months to eligible veterans.

Floor Fight Seen Over Platform

By EDMOND LEBRETON
Associated Press Writer
CHICAGO (AP) — Indications continued today to point toward a floor fight over the Democratic party's position on the Vietnam war, although both supporters and critics of President Johnson's war policy said they are seeking compromises.

Wary members of the Democratic National Convention's Platform Committee struggled into the early hours without apparent success in settling the potentially divisive issue.

Platform writers favoring what they term a strong peace plank claim more than enough votes to bring a dissenting report to the convention floor.

And Vice President Hubert H. Humphrey once again said Americans have the right to expect "some little sign" from North Vietnam that it would enter into meaningful discussions if bombing was stopped. There is no such sign, he stated.

Unconditional cessation of the bombing of North Vietnam is one of the points most hotly debated.

Even apart from the prospect of a Vietnam floor fight, preparation of the platform ran into delay after delay.

The scheduled Sunday night meeting of the full committee to consider a platform draft ended without completing its task and the drafting subcommittee could only hope to have a paper ready for a general session sometime

Politicians Discuss the Convention
By THE ASSOCIATED PRESS
What major political figures at the Democratic National Convention are saying:

"I think that the policies the President has pursued are basically sound," Vice President Hubert H. Humphrey on the Vietnam war.

"He would be a good president with bad policies," Sen. Eugene J. McCarthy on Humphrey.

"If we get beyond the first ballot it may be that a third candidate can emerge," Third candidate Sen. George S. McGovern.

"I have received no indication directly or indirectly that he has changed his position since March 31," Texas Gov. John B. Connally, scorching reports he might nominate President Johnson.

"If a Southerner is not on the ticket, the South would be written off in the election," Louisiana Gov. John J. McKeithen, urging a Southern running mate for Humphrey.

Enemy Death Toll 6,000 in 8 Days

By GEORGE ESPER
Associated Press Writer
SAIGON (AP) — Smashing Communist thrusts across South Vietnam, allied forces killed more than 1,000 of the enemy today and Sunday and raised their toll to more than 6,000 Viet Cong and North Vietnamese dead in the past eight days, military spokesmen reported today.

The intensified fighting went into its ninth day today with one battle still under way below the demilitarized zone. Near Con Thien, U.S. Marines cordoned off more than 300 North Vietnamese troops and were trying to tighten the noose around them. Fifty-two of the enemy were reported killed.

The U.S. Command said that more than 5,000 enemy troops were reported killed last week. The count has not been so high since the week ending May 18, when 5,348 were reported killed in the midst of the second major enemy offensive of the year.

The latest enemy thrusts smashed by allied forces were across Vietnam's central highlands and farther north along the coastal lowlands where hundreds of enemy troops were reported slain by allied infantrymen and a massive rain of U.S. fire and air power.

Senior U.S. officers in Da Nang said they saw no end to the intensified fighting. Total allied casualties have been light, because of superior American firepower from bombers, artillery and helicopter gunships which have accounted for perhaps 50 per cent or more of the enemy dead.

Military spokesmen in Saigon said two battalions of North Vietnamese had been wiped out in a weekend of savage fighting at the Duc Lap Special Forces camp and a nearby district headquarters compound.

The isolated camps, at the southern tip of the central highlands on an invasion route from Cambodia, held out against 3,000 enemy troops three days until reinforcement: fought their way in late Sunday and relieved the 300 defenders.

At last report, all was quiet inside the camps. But less than two miles away from the district headquarters, a battalion of South Vietnamese infantry-

Man Charged With Assault

CALION, Ark. (AP)—Joe B. Clark, 42, of Calion was arrested Sunday and charged with assault with intent to kill after firing at authorities during a high speed chase on U.S. 167.

Calion City Marshall R. E. Bowers said Clark was apprehended on a county road between Hampton and Calion.

Bowers said he attempted to stop Clark near Calion, and that Clark began to speed. He said he fired two shots over the fleeing vehicle when Clark failed to stop. Bowers said Clark then returned the fire.

He said he and his deputy emptied their weapons before apprehending Clark.

Rotary Told About Local Football

The Hope Rotary Club heard about football prospects at Hope High School for the 1968 season, when the coaching staff spoke to the club at its weekly luncheon meeting at the Town and Country on Friday, August 23.

Vic Cobb arranged the program, and head coach Ronnie Higgins outlined information about the team and changes being made in training and procedure during the early period of the season.

Also commenting on the athletic programs at Hope Junior and Senior High Schools were Ed White, Gaylord Solomon, Bill Lawrence, Jim Jordan, and Durward Bourns. Lamar Cox of the Hope High Student Council spoke briefly concerning the district competition in October for the Junior Miss Pageant, and she solicited help with the local event.

Douglas Kelly of El Dorado, a Rotary Foundation Fellow who has studied the past year in Europe, was a guest at the meeting, but due to a mix-up in arrangements, he did not speak at this time. John T. McRae of Prescott was a visiting Rotarian, and Phillip McRae of Wilson was also a guest.

First Bale of Cotton in State

MCGHEE, Ark. (AP)—What is believed to be the first bale of cotton ginned in Arkansas this year was ginned Sunday in Desha County at the Kelso Gin Co., at Kelso, about 10 miles northeast of McGehee.

A gin employee, Jerry Bounds, said Felix Donahoe of near Kelso grew the cotton. The bale weighed 498 pounds.

Another underground broadcast told Czechoslovaks that some compromise must be made to get the Soviet-bloc occupiers off their land but that it "need not be needlessly great."

The commentator said the invasion by the Soviet Union and four other orthodox Communist states added up to a "bungled putsch" by Communist leaders concerned not about the party's future but for their own "personal power."

"The Soviet Union has found itself facing the whole world and the international Communist movement in the extremely unpleasant position of a great power which not only tries to enforce its power objectives by means of force, but which, in addition, had failed to enforce them," the broadcast said.

A Moscow correspondent for Tanjug, the Yugoslav news agency, reported that the Soviet leaders had agreed in principle to the withdrawal of the occupation troops. But the report said the four other Communist regimes that sent troops into Czechoslovakia would have to agree before the force could be pulled out.

Church bells, factory sirens, auto horns and other alarms rang throughout Czechoslovakia for 15 minutes today protesting the occupation, Tanjug also reported.

The talks in the Kremlin presumably were joined today by the orthodox party leaders from the four other Communist states who also sent troops into Czechoslovakia. A source at the Czechoslovak Embassy reported they arrived in Moscow Sunday.

Svoboda was reported holding out against imposition of a puppet regime. Tass, the Soviet news agency, said the discussion Sunday was "frank and comradely" indicating that the going was still rough. "Frank" usually means disagreement.

The new participants were Walter Ulbricht of East Germany, Wladyslaw Gomulka of Poland, Janos Kadar of Hungary and Todor Zhivkov of Bulgaria.

In New York, the U.N. Security Council appeared likely to delay further debate on the crisis.

Leaders Plan to Return to Prague Today

By JOHN BAUSMAN
Associated Press Writer
MOSCOW (AP) — President Ludvik Svoboda and other liberal Czechoslovak leaders plan to return to Prague today no matter what results from their negotiations with Soviet leaders, a spokesman for the Czechoslovak Embassy said.

The spokesman said Svoboda would be accompanied home by Communist party chief Alexander Dubcek reported earlier to have been taken prisoner by the Soviet troops who invaded his country.

Authoritative party sources in Prague said there was some hope of reaching an agreement that would include Soviet recognition of the liberal Czechoslovak leadership in exchange for Czechoslovak acceptance of a temporary Soviet occupation force.

The spokesman said three more top officials, had arrived from Prague to join the talks as they resumed for the fourth day. The new arrivals were Josef Spasek and Bohumil Simon, both liberal followers of Dubcek, and Oldrich Svestka, conservative editor of the party newspaper Rude Pravo.

With the arrival of Spasek and Svestka, the Czechoslovak delegation included seven of the 11 members of the party's 11-man presidium. Simon is head of the party's Prague city organization.

The Free Czech Radio announced that the central committee of the Czechoslovak Communist party, which is loyal to Svoboda and Dubcek, has been called into plenary session to discuss the Moscow negotiations and the current situation in Prague.

Another underground broadcast told Czechoslovaks that some compromise must be made to get the Soviet-bloc occupiers off their land but that it "need not be needlessly great."

The commentator said the invasion by the Soviet Union and four other orthodox Communist states added up to a "bungled putsch" by Communist leaders concerned not about the party's future but for their own "personal power."

50,000 Will Enroll in Colleges

LITTLE ROCK (AP) — Colleges and universities in Arkansas will begin fall terms next month with about 50,000 students expected to enroll.

The University of Arkansas, which begins registering students Sept. 11, expects an enrollment of more than 10,500. The university will utilize three new buildings this fall — a \$3.5 million library, a \$1.6 million graduate education building, and a \$1.9 million undergraduate science building.

Arkansas State University at Jonesboro begins registration Sept. 9 with enrollment expected to reach 6,000. The school will open a \$2.3 million cafeteria and a \$3.7 million science building this fall.

Registration at most of the other institutions of higher learning in the state will begin Sept. 8 and 11.

State College of Arkansas at Conway is expecting an enrollment of 4,500; Henderson State at Arkadelphia, 3,600; Arkansas AM&N at Pine Bluff, more than 3,500; Little Rock University, 3,200; Southern State at Magnolia, 2,700; Arkansas Tech at Russellville, 2,600; Arkansas A&M at Monticello more than 2,500; Ouachita Baptist University at Arkadelphia, more than 1,500; Harding College at Searcy, 1,900; John Brown University at Siloam Springs, 750; Hendrix College at Conway, 900; College of the Ozarks at Clarksville, 600; Arkansas College at Batesville, 310; Southern Baptist College at Walnut Ridge, 100; Shorter College at North Little Rock, 260; Westark Junior College at Fort Smith, 2,000; Texarkana Community College, 2,000 and Crowley's Ridge Junior College, 150.

Convention Developments at Glance

by THE ASSOCIATED PRESS
A summary of major developments in the Democratic National Convention opening today:

Candidates: Vice President Hubert H. Humphrey and Sen. Eugene J. McCarthy arrive on convention eve. Third candidate Sen. George S. McGovern wins individual endorsement of Illinois Atty. Gen. William G. Clark, but Chicago Mayor Richard J. Daley postpones until Wednesday any disclosure on which way his state's key delegation will go.

Platform: Floor fight still appears probable despite efforts at compromise on a Vietnam policy plank. Platform remains unfinished as committee members struggle into early hours on convention eve.

Credentials: Formal challenges are filed as first step toward floor fights over seating regular North Carolina and divided Georgia delegations. Floor battles remain possible on half a dozen other state slates.

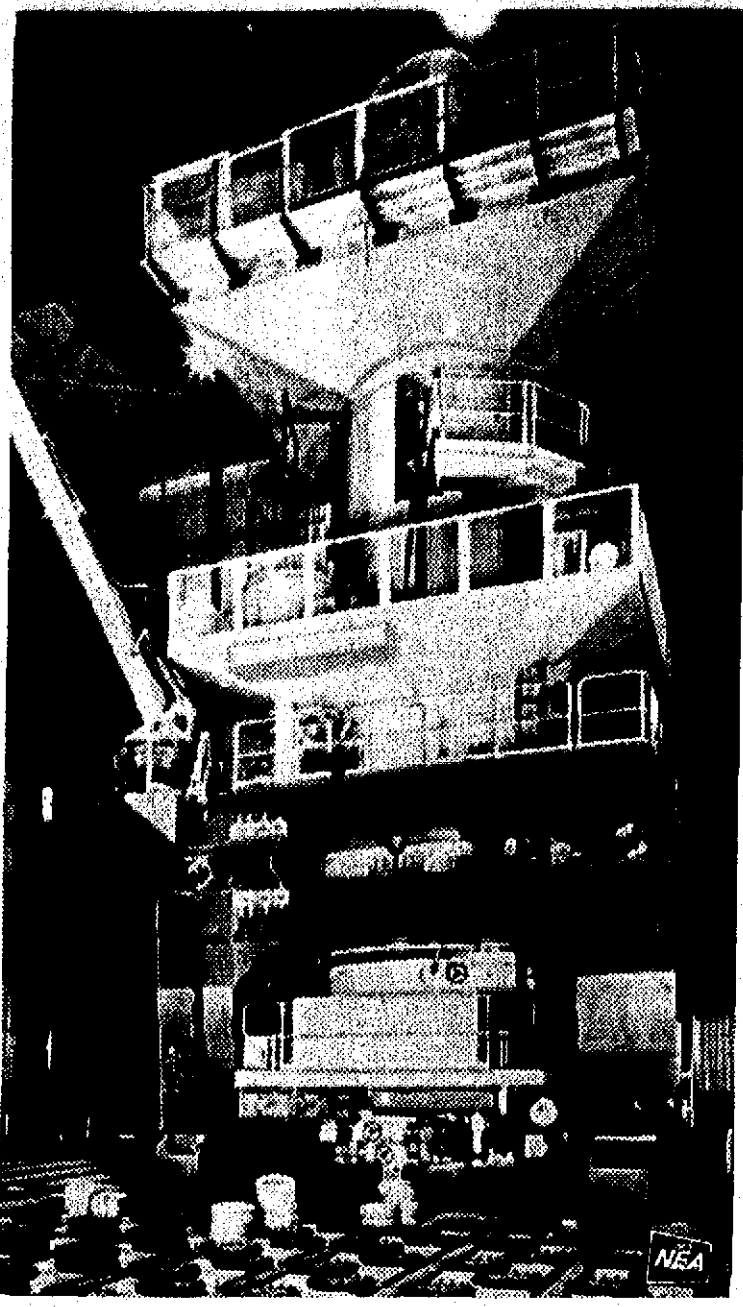

Voting: Texas leads filing of formal challenge against proposal that would abolish the rule permitting states to cast all their delegate votes as a unit. Floor fight is seen as likely to night.

Keynote: Sen. Daniel K. Inouye of Hawaii will deliver keynote address as convention starts tonight.

Road Signs Now Read 'To Moscow'

By HANNS NEUERBOURG
Associated Press Writer

PRAGUE (AP) — Road signs all over Czechoslovakia have been removed, painted over or turned around. Now they read "To Moscow."

Such signs have appeared on almost every road leading to the east. To make sure that the Soviet occupiers understand them, the Czechs and Slovaks have written them in the Cyrillic alphabet used in Russia.

On the route through southern Bohemia from West Germany to Prague, other signs read, "Ivan go home," in Russian, Czechoslovak and English.

Passing through the small villages of Bohemia, one sees walls and shop windows covered with anti-Soviet signs, many of them in Russian.

"We don't want your help," said one. "This is our country," said another. There were endless variations on the main theme "Moscow is that way, please get going."

New signs also warn travelers of Soviet checkpoints or roadblocks.

Entering Prague on one road, travelers encountered such signs as, "Soviet roadblock, 1500 meters ahead" and, "Watch out for Ivan, 500 meters from here."

Another phase of the sign campaign aims at confusing the occupiers and hindering their activities.

In many villages and in Prague, street signs and house numbers have been removed. Signposts have been splashed with buff paint. Others have been pointed in wrong directions.

As a result, the Soviets are finding it hard to get around.

Russian truckdrivers losing their way in a town can never get more than a shrug from Czechoslovak pedestrians they ask for directions.

"Even our children have suddenly forgotten all the Russian vocabulary they learned in school," one native said.

In the first two days of the occupation, Soviet tanks were surrounded by youngsters trying to convince the Russians to leave.

This stopped after reports spread of hidden cameras filming the youngsters for Soviet propaganda newsreels.

Schedule for Opening of Convention

CHICAGO (AP) — The schedule for the opening session today of the 35th Democratic National Convention:

Chairman John M. Bailey opens the convention at 7:30 p.m. CDT.

Invocation, presentation of colors, national anthem and salute to the flag.

Welcoming addresses by Chicago Mayor Richard J. Daley and Illinois Gov. Samuel Shapito.

Addresses by Bailey, Secretary of Housing and Urban Development Robert C. Weaver, Senate candidate Katherine Pfen of Kentucky, and Young Democrats president R. Spencer Oliver.

Election of keynote speaker Sen. Daniel K. Inouye of Hawaii as temporary convention chairman and introduction of Inouye by Sen. Birch Bayh of Indiana.

Keynote address by Inouye. Committee report on temporary convention rules and possible floor fight over abolition of unit rule voting.

Benediction and adjournment.

Mills Will Turn Down V-P Offer

DEWITT, Ark. (AP) — Rep. Wilbur Mills, D-Ark., said Sunday he was grateful that his name was being discussed as a possibility for the Democratic vice presidential nomination, but that he would turn down any such offer.

Mills said that he had not been offered the No. 2 spot on the ticket, and that he was running only for re-election to Congress.

Mills is unopposed in the Nov. 5 general election.

Leon B. Catlett, chairman of the state Democratic party, said recently that there had been "considerable talk" in the East about the possibility of Mills becoming the vice presidential candidate.

Mills was at DeWitt, along with Democratic gubernatorial nominee Marion H. Crank of Foreman, for the dedication of a new high school.

Crank was questioned about Gov. Winthrop Rockefeller's rally Saturday at Winthrop that attracted an estimated 6,000 persons.

Crank called the rally a success, but said Rockefeller brought most of the people with him to the rally. "Most of the local people were my supporters," Crank said.

FLOOR FIGHT from Page One

later today.

A long review by the full committee could scramble convention deadlines.

Under normal procedure, the platform should be approved in committee in time to be printed and distributed to delegates and the news media before its formal presentation to the convention scheduled Tuesday evening.

Some of the compromise

straws were tossed by key supporters of Humphrey and Sen. Eugene J. McCarthy.

Sen. Edmund Muskie of Maine, who supports Humphrey, said he thinks the views of his side and those of McCarthy's spokesmen "are close enough together on fundamental issues that a compromise here ought to be possible."

Governor Harold Hughes of Iowa, who favors McCarthy, said he is "truly hopeful we can work these differences out

and not have to go to the floor."

He said the aim should be a plank covering main objectives of U.S. policy in Vietnam but leaving room for differences on details.

McCarthy supporters have been calling for specific recommendations, such as a bombing halt and a scaling down of U.S. operations in South Vietnam.

Humphrey meanwhile said hopes aroused by the Paris peace talks were dashed by North Vietnam.

He said the United States

tried for a discussion of restoring the truly demilitarized character of the zone between the two Vietnams, but the answer was no.

Humphrey again defended administration policy as "basically sound . . . directed toward a political settlement."

Partly overshadowed by the Vietnam dispute has been continuing North-South tension over a law and order plank.

Southerners have especially balked at endorsing the President's Riot Commission report,

with its finding that the country is moving toward a split society.

Louisiana Gov. John J. McKeithen did not mention the commission report specifically but he told the committee that "I don't think the Negroes are going one way and the whites another. They want to go the same way. All want to be Americans."

He said the Democrats will lose the election if they do not write a strong law and order plank.
